PROFESSIONAL EXPERIENCE

Senior Event Coordinator & People Operations Specialist • Spaulding Ridge | Pune, India *Nov 2021 – Present*

Event Planning & Execution

- Hosted and managed both virtual and in-person employee engagement events, ensuring seamless experiences across formats and geographies for APAC teams.
- Organised corporate events for 100–150 employees — covering full-cycle planning, venue sourcing, catering, AV, branding, and onsite/virtual execution.
- Spearheaded the All India Meet for 150+ employees — full end-to-end event logistics including venue coordination, travel arrangements for 80+ employees, catering, AV, branding, vendor management, and onsite setup/breakdown.
- Planned and executed DEI events, wellness programmes, and cultural engagement activities at short notice alongside active performance cycles, increasing participation by 25%.
- Developed run-of-show documents, event checklists, and project timelines to ensure flawless execution of onsite and offsite events.
- Served as primary point of contact for employee event inquiries, registration support, and event-related communications across APAC.

Event Technology & Operations

- Managed event registration workflows, attendee tracking, and post-event reporting using digital event platforms; built and maintained registration flows, communications, agendas, and event branding.
- Tracked event budgets, vendor invoices, and contracts ensuring cost efficiency and compliance; coordinated with Finance and Operations for approvals and reconciliation.
- Leveraged AI automation tools and M365 Copilot to streamline event reporting workflows, reducing manual coordination effort significantly.
- Built RAG-based workforce analytics dashboards to generate post-event insights on participation and engagement trends for leadership.

Employee Experience & Stakeholder Coordination

- Partnered with HR, IT, Communications, and Finance stakeholders to deliver seamless employee experiences from pre-event planning through post-event debrief.
- Coordinated international travel logistics including accommodations, transport, and documentation support — liaising with immigration and visa resources for cross-border employee travel.
- Maintained strong vendor, partner, and hotel relationships — negotiated contracts, coordinated on-ground execution, and managed production and hospitality logistics.
- Conducted 100+ employee check-ins annually; fed engagement insights to leadership to shape future event programming and culture initiatives.

HR Manager & Event Operations Lead • Samaksh Enterprises Pvt. Ltd. | Jaipur, India *Jul 2015 – Aug 2021*

- Planned and executed multiple large-scale corporate events — managing full lifecycle from concept to execution, including vendor coordination, workforce management, and onsite operations.
- Managed logistics, accommodation, stipend coordination, and on-ground reporting for 100+ interns across events and programmes.
- Handled designing, branding, print management, swag/stationery procurement, and hotel coordination for corporate events.
- Managed 25+ client accounts from presentation to delivery — stakeholder communication, vendor coordination, and operational execution.

Event Coordinator (Freelance & Early Career) • NAEMD + Freelance | India *Mar 2013 – Aug 2015*

- Coordinated onsite events managing workforce, vendor placement, production, logistics, and hospitality from planning through execution.
- Managed guest lists, venue preparation, security, catering, entertainment, transportation, and décor for diverse corporate and cultural events.
- Maintained comprehensive vendor and venue databases; prepared event budgets, checklists, and flow charts; proactively troubleshooted day-of issues.
